Note:

- Deadline for dropping courses are September 21 (fall term) and January 19 (winter term).
- When you drop successfully a class before the deadlines, you should have DNE.
 - o DNE will not show in your transcript/academic records and you are not financially responsible for the tuition of the course.
- If you drop a class after the deadlines, you will get a DISC.
 - o DISC will show in your transcript/academic records and you are financially responsible for the tuition of the course.
